## Bernhardt Wealth Management Professionals Named Top Wealth Managers by *Washingtonian* magazine

McLean, VA (November 1, 2012) – Two members of the [Bernhardt Wealth Management](#) team, a Virginia-based financial advisory firm, have been named among [Washingtonian](#) magazine’s Top Wealth Managers in the greater Washington, DC area for 2012. President and company founder, Gordon Bernhardt and senior financial partner Kenneth Robinson were honored in this year’s list from the magazine. The list was published in the November issue and is compiled using both a survey of Washington, DC-area financial professionals as well as the magazine’s own research.

“We are quite pleased and honored to have been recognized by *Washingtonian*,” said Robinson.

“It is due to the outstanding contributions of our entire team that we are listed among this city’s top wealth managers,” said Bernhardt acknowledging the importance his firm places on teamwork in order to deliver personalized investment plans with uncompromising integrity. “In my estimation, being recognized by the *Washingtonian* is a credit to our entire team, not just the individuals named.”

In addition, Bernhardt Wealth Management has also been named this year to the [AdvisorOne’s Top Wealth Manager](#) list, *Smart CEO*’s Readers’ Choice Top Wealth Manager list and *Smart CEO*’s 100 Best Run Companies list. The company has also been granted the [Five Star Award](#) for wealth managers.
